

Join us as we arrange fun activities for the whole family.

Help us to organise, prepare and support our children during special occasions.

Our Future Aims

- To increase our PTA membership.
- Raise much needed funds for iPads and play equipment.
- Present a buddy bench to the school as part of the "Mindful Moments" Club.
- Support school sacramental celebrations.
- Provide support during all school occasions e.g. sports day, football finals.
- To create a small Eco-school's garden.

Mary Queen of Peace PTA was established in October 2016. During our first year we have had the privilege of working alongside our new school community. We achieved many successes;

- Organising events to support our school community.
- Raising funds for both play and ICT equipment.
- Supporting school sacramental celebrations.
- Applying for small grants.

We were successfully awarded a CRUN grant for "Mindful Moments" as well as a "Live Here Love Here" grant for Eco Schools.

Joining the PTA allows you to meet parents, share your ideas as well as supporting your child's learning experiences. We promise not to have too many meetings!

The PTA's first ever fundraiser was a huge success. Who doesn't like a game of bingo?

Our Table Quiz was another example of community support and a great night's fun.
