Mary Queen of Peace
Primary School

Martinstown, Glenravel

Spring 2026

Project Information

Mary Queen of Peace PS

Our company, Woodvale Construction Company Ltd, has been appointed to build the new Mary Queen of Peace PS in the Glenravel area for the Martinstown community.

Construction of the new Mary Queen of Peace PS will commence in March 2026 and is scheduled to be completed in June 2027.

The project comprises a new-build, single-storey primary school accommodating up to 250 pupils providing nine classrooms, kitchen facilities, multi purpose hall, library, Principals Office, Staff room, with a gross internal floor area of approximately 1,700 sqm, located at Martinstown.

As you will appreciate, some noise and disruption are unavoidable during construction; however, every effort will be made to minimise inconvenience and reduce the impact on the local community

Advance Notice – Lane Closure

Please be advised that a lane closure will be in place on the A0043 Glenravel Road, Ballymena (from 1 Dunaghy Wood to 250m past) from Monday 9 March 2026 to Friday 29 May 2026.

Works are being undertaken by Street Licence Contractor to facilitate road widening for the new Queen of Peace School.

Traffic will be controlled by manned traffic management and temporary lights. Delays may be experienced.

We appreciate your patience during these essential works.

Who we are

Woodvale Construction is a Chartered Building Company, with our head office located on Crevenagh Road, Omagh, Co. Tyrone. We have been delivering projects in Omagh and across Northern Ireland since 1980.

We have received numerous awards for our work and have delivered many high-quality educational facilities, including Strabane Academy; Coláiste Feirste, Belfast; McArthur Hall at Methodist College; Holy Evangelist Primary School, Dunmurry; St Patrick's PS, Belfast; and Ardnashee School and College, L'Derry – winner of the CEF Education Project of the Year 2025.

Opportunities

If you are a local supplier or subcontractor and want to know more about opportunities at the Mary Queen of Peace PS please email opportunities@woodvaleconstruction.co.uk

If you are interested in employment with Woodvale Construction, please email opportunities@woodvaleconstruction.co.uk

Considerate Constructors

This project will be registered with the considerate constructors' scheme.

We aim to be good neighbours, as well as clean, respectful, safe, environmentally conscious, responsible and accountable.

We will be working to ensure that disruption caused by our construction activities is kept to an absolute minimum. However, should you have

any concerns about the way the project is managed, please contact our Head Office.

Community Benefit

We will be providing social and economic benefits to the local area through the delivery of this project. We are working with the local College to deliver apprentice and trainee places on this site.
