Primary 2 Term 3 2025

"Ahoy, Me Hearties"

This term we will be learning all about 'Under the Sea'. Through science we will explore floating and sinking, freezing and melting and identify sources of water in our environment. We will name the oceans, creatures that live under the sea and how we can protect their natural habitats through

reducing, reusing and recycling. We will also explore the world of 'pirates' and immerse ourselves in pirate language and pirate play.

We will finish our theme with a 'Pirate Play Day'.

This term in:

Maths:

In our Maths Mastery this term, the Primary 2 children will focus on:

- **Addition and Subtraction**
- **Money**
- **Multiplication and Division**
- **Measures: Capacity and Volume**

Literacy:

Report writing - Write a report on a country researched in class

Procedural writing - On The Water Cycle

Recount writing - A diary entry about our school trip

Poetry - A 'Diamond Shape' poem on Pirates

ICT:

Pupils will continue to revise and consolidate their ICT skills through play and class activities. Pupils will continue coding through the program 'Scratch'. The children will get opportunities to improve their confidence and ability to navigate Bee bots to find the 'treasure'.

What else is happening this term?

PE: Please wear trainers to school on a Tuesday.

PDMU: Pupils will explore staying safe in different environments and contexts e.g. farm safety, road safety, water safety, fire safety and sun safety.

Important Dates:

Sports Day - Friday 30th May (weather permitting)

School Trip - Friday 13 June 2025

Pirates Dress Up Day - date to be confirmed
