

Primary 7 Writing Activities- Home Learning Pack 3

- Think back to when we did the boat and propeller science experiment. You only had a piece of corrugated plastic and an elastic band to create your boat and propeller. You had to work out how to make it by using just these two materials. **Write a list of instructions** on how to complete this experiment for someone who has never completed it before.
- Think back to our ice-bath experiment. **Complete a scientific report** on this. (See scientific report template on Google Classroom/School Website).
 - Week 1: **Create a tree map** to plan your scientific report. Use the subheadings on the template to help you.
 - Week 2: Use your tree map to help you **write your first draft** of your report.
 - Week 3: Try to **'up-level' your report**. Use a thesaurus to help you add in more descriptive and scientific words; use connectives.
- If not already completed from previous Home Learning Pack, write a recount of your memories from P1 right up to P7.
 - Memories of your very first day of school.
 - First memories of meeting your friends.
 - Memories of your sacraments.
 - Memories from school trips/playing football, hurling, camogie for the school/credit union quiz team/ Cumann na Bunscoil team.
 - Favourite memory
 - Funniest memory
 - What you will miss
- Write about a time when you felt really happy. What happened? What made you feel happy?
