SINGING LESSONS

Dear Parent/Guardian,

Registration for singing lessons for the 2021-2022 academic year is now open I am pleased to say that a small number of spaces have become available in Mary Queen of Peace Primary School for any new pupils wishing to take singing lessons.

Singing lessons are available to pupils from P3 upwards and take place on a weekly basis on Mondays. Lessons last for twenty minutes and take place during school hours. Each lesson costs £9 which must be paid for in advance of each half-term (usually 6 to 8 weeks at a time).

Lessons will cover a wide range of genres within Musical Theatre (from Disney, to West End and Broadway Shows, to a more classical style) and are used to develop correct singing technique as well as constantly working on building the child's confidence and performance skills. The use of props and actions will also be included allowing the pupils to really develop their characters. Whilst there is the opportunity to work towards and achieve Music Theatre Singing Grades with the London College of Music (in which 100% of my pupils achieved Distinctions during one exam session last year), lessons can also be taken just for fun! All lessons will move at an appropriate pace for each pupil and will be conducted in a relaxed and enjoyable manner.

Should you wish for your child to attend singing lessons (whether as a returning pupil or a new start) please contact me directly, using any of the details listed above, clearly stating your child's name and school. I will then send you the registration form and details of when lessons are due to commence.

Greatly looking forward to seeing all returning pupils and meeting any new starts soon!

Many thanks, *Niaomh Rodgers*
